SUMMARY

Results-driven web developer with strong technical skills and a passion for creating dynamic, user-friendly websites. Proficient in HTML, CSS, and JavaScript, with experience in building and optimizing websites for desktop and mobile devices. Collaborative team player with excellent problem-solving abilities and a strong attention to detail. Seeking a web developer internship to further enhance my skills and contribute to the success of your organization

EXPERIENCE

FlyCT Softtech
Nashik
March 2024 - Present

I specialize in developing and designing websites using HTML, CSS, JavaScript, and Bootstrap for the front end, and PHP for the backend. My process includes collaborating with clients to understand their requirements, ensuring the website meets their needs and expectations.
